CALIFORNIA INSTITUTE OF TECHNOLOGY

M/C 230-87, Room 230 Center for Student Services, gradofc@caltech.edu

Extended Registration - PhD

UID_____

Last Name_____   First Name_____

Option_____ Year Entered CIT_____ Email_____

Thesis Advisor_____   Candidacy Date & Result_____

According to the Institute Catalog:

> *"No doctoral student will be allowed to register for 24 or more terms without approval of a petition by the dean of graduate studies."*

Additionally, the Graduate Study Committee instituted a further requirement that students, fourth year and above, meet each year with their advisory committee to ensure satisfactory progress. Students completing their sixth year must defend before the end of the summer quarter or submit a petition to the Graduate Dean if they plan to enroll in the fall. The option representative, your advisor, and your candidacy committee chair or advisory committee chair must recommend approval of the petition before the Dean will grant final approval. The only exceptions are those students who are scheduled to complete the appropriate requirements by the first Friday of the term. Students enrolled over seven years will additionally be required to meet with one of the deans prior to the start of the fall term.

Please give the current status below of your progress and plan for finishing your PhD, as well as your schedule for completion. Include sufficient information (attach additional material if needed), describe any extenuating circumstances so we can determine if further discussion is needed with you or your advisor, and provide the date when your candidacy/thesis advisory committee last met.
